MEETING DATE: April 20, 2023

FISCAL SUMMARY:

Budget Summary:	N/A
Budgeted Expenditure:	N/A
Budgeted Revenue:	N/A

STATUTORY REFERENCE:

Wisconsin Statutes:	N/A
Municipal Code:	Title 2 of the Municipal Ordinance

BACKGROUND:

The applicant is seeking an addition to the existing detached garage located on the north side of the property. This garage would be approximately 32 feet long by 20 feet deep in one area and 14 feet deep in the other area. This addition will allow parking of three vehicles enclosed within the garage and provide workshop space.

ARCHITECTURAL CHANGES:

The applicant proposes to place the addition on an angle to the existing garage with new garage doors and the entrance facing south towards the middle of the yard. The existing garage is clad with painted brick while the proposed addition would be clapboard siding with corner boards. The pitch of the roof will be similar to the existing roof. Windows will be double hung windows on the west and north elevations, while the entrance door to the workshop will be a French door with a single light. The garage door is planned to be a 10-panel door with two panels having glazing. The color of the garage will match the existing color of the brick and trim.

ANALYSIS:

The proposed addition will be 10 feet to 11 3/8 inches from the northern property line and 89.0 feet from the right-of-way.

RECOMMENDATION:

Staff recommends the Architectural Review Board approve the application as submitted.

ACTION REQUESTED:

Motion to grant approval of the site and architectural plan at 2107 W. Fairlane Avenue. as submitted.

MEETING: Architecture Review Board

MEETING DATE: April 20, 2023

FISCAL SUMMARY: STATUTORY REFERENCE:

Budget Summary:	N/A
Budgeted Expenditure:	N/A
Budgeted Revenue:	N/A

Wisconsin Statutes:	N/A
Municipal Code:	Title 2 of the Municipal Ordinance

BACKGROUND:

The property at 2200 W. Kenboern Dr. has been a vacant lot since the development of the neighborhood. The lot was part of a larger parcel many years ago. The current lot has an easement for the driveway to the residence to the west. The property does not currently have water and sewer, but the applicant has been working with the Department of Public Works regarding the design of the sewer and water connections.

The property is wooded on the east towards the river and to the south. The property has an open clearing in the middle where the new home will be positioned. The proposed home will be a three-bedroom home with a two-car attached garage, great room, kitchen, sunroom, and an office.

ARCHITECTURAL

The home will be positioned with the front façade facing toward the southwest with the garage facing northwest toward the street. The structure will have a hipped roof and hipped gables with larger overhangs. The home will feature stone pilasters at the corners with stone at the main entry. The remainder of the home will have clapboard style siding. Window trim will have a six-inch profile. Chimneys will have matching stone.

One patio will be positioned off the office, while a garden will be located directly off the sunroom.

RECOMMENDATION:

Staff recommends the Architectural Review Board approve the application as submitted.

ACTION REQUESTED:

Motion to grant approval of the site and architectural plan at 2200 W. Kenboern Dr. as submitted.
