The following is a list of the contractors who have submitted acceptable qualification information in accordance with the City ordinance. Confirmation of Prequalification Documents Received receipt will be provided to a contractor that has submitted qualification information for the current calendar year. It is recommended that contractors verify they have acceptable qualifications prior to bidding on a public works project.

Contractors who have not submitted qualification information, and desire to submit a bid on an upcoming public works project, may do so up to five (5) business days prior to the bid date of that project.

Qualification forms may be found at <http://wi-glendale.civicplus.com/268/Forms-Applications>.
